RETROSPECT '85
JOHNSTON TECHNICAL COLLEGE
SMITHFIELD, NORTH CAROLINA

CHRISTMAS IS NEAR — HAVE A CUP OF CHEER

In early December JTC's Student Government Association got everyone in the holiday spirit by hosting a Christmas Reception for students, faculty and staff in the student lounge. As Christmas holidays came closer, morale got markedly higher. 'Twas the season to be jolly!

FESTIVE FLOATS SIGNAL CHRISTMAS SEASON

JTC's Student Government Association entered a float in the 1984 Smithfield Christmas parade. Aboard are: (L to R) Debra Windham, Bruce Tart, Annette Massey, Jay Hinton (in his jammies), Stacey Beasley, Jeanette Massey and Barbara Lawhon.

The Continuing Ed Division also put together an impressive Christmas float which was entered in several area parades. Coordinated by Ms. Pam Earp, and entitled "Give Yourself A Present," the float won first place in the Clayton Christmas Parade (non-commercial division) and second place in the Kenly parade.

"THE SUNSHINE MAN"

The man who deals in sunshine is the man who wins the crowds.
He does a lot more business than the man who peddles clouds.

Ernest Thompson has been dealing in sunshine at the snack bar for a long time. Also pastor of Harrison Chapel in Selma, he will feed body and soul.

Mr. Ernest has been known to serve a smile along with your morning coffee.

REGISTRATION IS REGISTRATION IS REGISTRATION . . .

In all my college expectations,
I never planned on registrations;
Do they ever try my patience
Not to mention perspirations!

It's kind of nutty,
"End of the line, buddy!"
That cashier's heart
Ain't made of putty.

But let's look at the situation,
I've got a feeling of anticipation;
I know I'M ready for graduation,
'CAUSE I'VE PASSED MY FINAL
REGISTRATION!

Dolly At JTC?

IT WAS JUST MY IMAGINATION!

Make-believe took on a new meaning in March when JTC's Cosmetology Department presented their annual student hairstyling competition entitled "Fantasy — It's Just My Imagination."

A flourish of flowers, greenery, and candelabra transformed the student lounge into a floral phantasm as twenty-six models wowed the crowd with spectacular tresses and formal dresses.

Three categories of competition — hairstyling, make-up and nails — were featured and evaluated by a panel of cosmetology professionals.

Hairstyling competition was won by Shelby Johnson, student with Anita McLamb as her model. In second place was Steven Creech, student and his model, Michelle Cockrell. Third place went to Teresa Sorrell, student, and model Beverly Sorrell.

Teresa Sorrell, student and her model Beverly Sorrell, won both the nail and make-up competition!

Other awards included: Best attitude — Leafy Coombs; Best Student — Sue Beasley, and Ms. Congeniality — Denise Godwin.

A highlight of the show was the high-class entertainment featuring such name stars as Elvis Presley, Dolly Parton and The Supremes!

Flowers and decorations were done beautifully by the JTC Floriculture class under direction of Bennett Barnes. Elegant refreshments were provided by Sederis Strickland's Foodservice Specialist students with a hand from Nicky Cox. Les Stone handled photography and music and "handsome" escorts were Jay Hinton and Bruce Tart.

Outrageous!

A HOME FOR THE HOLIDAYS!

As a joint class project this past Christmas, the Retail Floriculture and Foodservice Specialist students took over the Smithfield Woman's Club facility and turned it into a "Holiday House!"

Hundreds visited this "Christmas wonderland" open house to sample sumptuous selections of refreshments prepared and served by Foodservice students, and to view a floral phenomenon of elegant decorations created by the Floriculture folks using native Johnston County greenery, apples, pineapples, lemons, limes, cranberries, carnations, roses, burgundy satin ribbons, lace, cinnamon sticks, candles and religious items from the collection of Bennett Barnes, Floriculture instructor.

Foodservice students participating in the project were: Gail Pope, Rose Peedin, Paulette Bryant, Brenda Braswell, Evelyn Johnson, Shelia Newkirk, Louise VanHoy, Christine Thompson, Wendy Gardner and Dorothy Johnson. Their instructor is Sederis Strickland.

Floriculture students of Bennett Barnes participating were: Judith Allen, Kimberly Anderson, Karen Barbour, Sudimal Boese, Jeff Foy, Lois Foy, Paulette Franks, Doris Grissett, Nancy Hockaday, Peggy Jernigan, Sherry Lane, Peggy Jordan, Jearanie Rhyne, Gail Schliebener, and Annette Woods.

Hot Dog!
LET'S HAVE A COOKOUT!

Don't drag, let's shag!

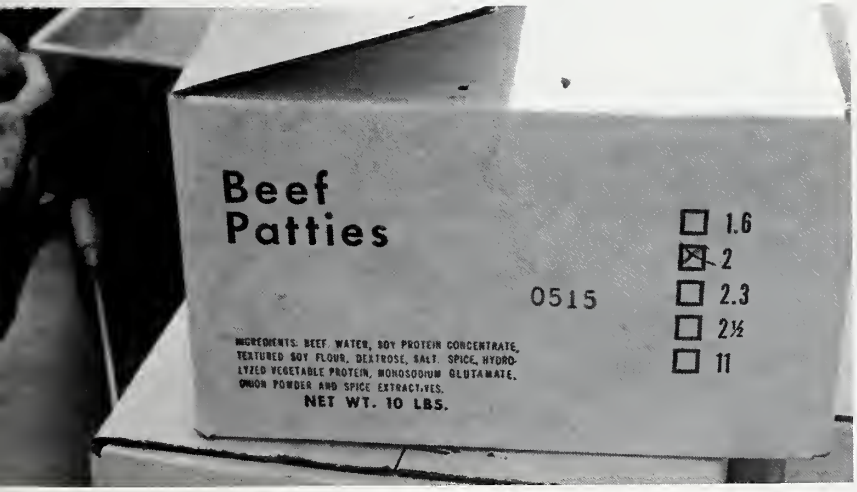
Where's the drive-thru?

Jay puts the flame in "flame-broiled."

"Here's the beef!"

"Double-double, cheese-cheese, burger-burger, please."

The dogs kids love to bite!



Pattie-cake, pattie-cake, soybean man!

I AM A STUDENT AT JOHNSTON TECH. I AM JOHNSTON TECH!

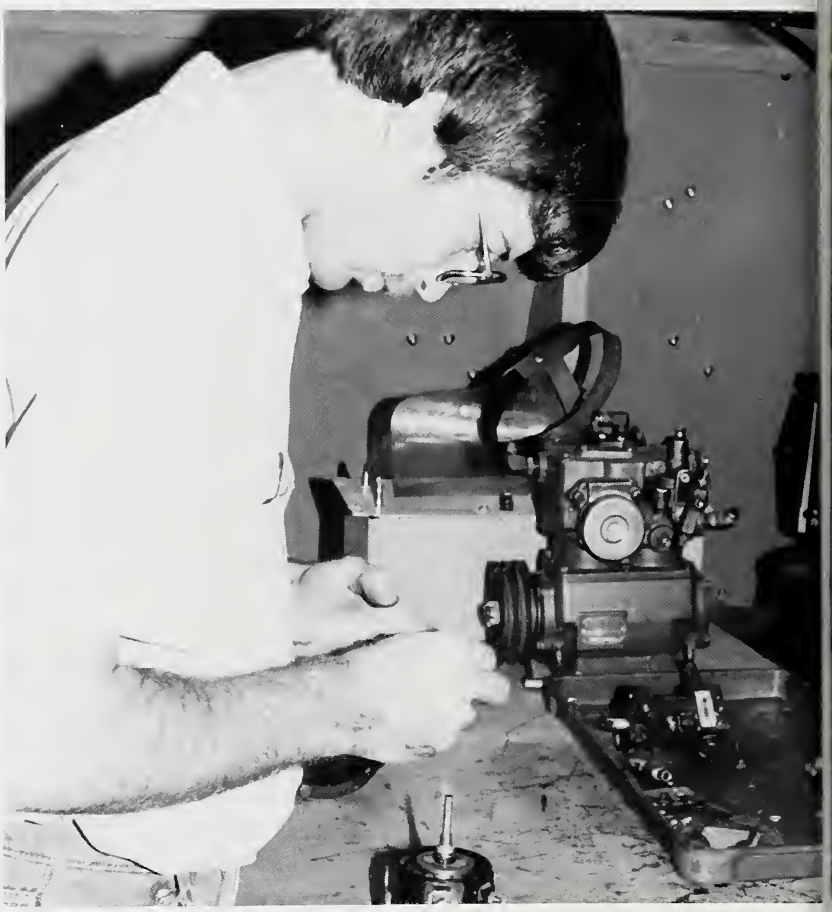
I am a student at Johnston Technical College.

I am a grandmother. I am a teenager. I work two jobs. I have a part-time job. School is a full-time job for me.

I am Black. I am White. I am Hispanic. I am Asian. I am Indian. I don't have to worry about money. I have to watch every penny.

I drive a new Trans-Am. I wonder if the old heap will get me home today. My father is a farmer. My father is an attorney. My father is a plumber.

I am a Vietnam vet. I saw a movie about Vietnam. I buy my clothes only at Belk's. I buy my clothes at TG&Y. I smoke Carlton's. I chew Redman.



I love pizza. I love chicken pastry. I love barbeque. I love curry. I like good old rock and roll. I like good old gospel. I like good old bluegrass. I like good old soul.

I love people. I have one or two friends. I like to study alone. My hardest subject is digital electronics. My hardest subject is reading. My hardest subject is pharmacology. My hardest subject is studying.

I want to get a good job when I graduate. I want to improve my promotion possibilities where I work. I want to learn a skill and feed my children.

I want to be a registered nurse. I want to be an industrial mechanic. I want to be a truck driver.

I can choose MY career here. I feel welcome here. I can pick from so many programs. I can go as far as I want.

I am a student at Johnston Technical College. I AM Johnston Technical College.

SITTING DOWN ON THE JOB!

In April of this year Mrs. Marjorie Tart, a "fixture" in the JTC Learning Lab for the past 16 years, retired.

At a farewell reception held in the Library, she was presented with a watch, and many other wonderful gifts, including the comfortable rocking chair in which she is seated (for rocking grandbabies).

Bon Voyage!

JTC NURSING CLASS — 1985

JTC Nursing grads of 1985 included: (L to R) First Row Phyllis Hemingway, Deborah Priebe, Sherry Boyle, Hilda Rouse, Joan Swarthout. Second Row Terry Coleson, Pam Daughtry, Brookie Blackmon, Zandra Holloman, Connie Lassiter, Gail Pollard. Third Row Deborah Warren, Paula Parker, Connie Warrick, Cydne Holt, Susan Sloan, Regenia Beasley, Barbara Herring, Suzanne Denning, Lynda Moore, Vickie Lee.

BUILDING BLOCKS OF LEARNING — CAMPUS EXPERIENCES BUILDING BOOM!

Hammers clanging and saws buzzing became familiar sounds on campus this year as a large addition was made to the Wilson Building. This two-story facility will house a computer center (upstairs) and a much-needed enlarged student lounge (downstairs).

The "open door" policy got new meaning this Spring as the Wilson Building received a face lift with the addition of classy glassy doors. Come on in!

"CANDIED" CAMERA

"I'll act surprised!"

"I can do this job in my sleep."

Would you buy a used car from this man?

"No dear, his head goes at the top."

"Yes, I'm wearing jeans."
